Dear Parents/Carers,

Year 12 Futures Information Evening

The summer term is an important time for Year 12 students to begin preparing for their next steps after BOA. We would therefore, like to invite students and parents, to attend the Futures Information Evening on **Tuesday 5th June 2018**.

This is an opportunity for you to gain an understanding of the different options available and to ensure that your son or daughter is supported in making important choices for their future.

The presentations will be delivered by Emma Rickard, BOA Progression Officer and will provide an overview of the progression routes for students after their studies at BOA, including essential information on: Applying to Higher Education; Funding; Employment; Gap Years; Internships and Apprenticeships.

There will also be the opportunity to collect resources and speak to representatives from Higher Education and Apprenticeship providers. We would therefore advise that you arrive at BOA slightly earlier than your allocated presentation time (perhaps 20 minutes earlier).

The presentations will be held in the Main Theatre and delivered twice throughout the evening at **6.00pm to 7.00pm** and **7.15pm to 8.15pm**.

Tickets can be ordered online at www.ticketsource.co.uk/boa or via the BOA Reception. Please restrict yourselves to 3 tickets only (including student). Please note there is no charge for this event and booking is to allow us to manage numbers only.

If you have any questions, please do not hesitate to contact Emma on direct telephone number 0121 359 9322.

I look forward to seeing you there.

Yours faithfully,

C. Newbold .

Christopher Newbold
Director of Student Support
