Dance Pathway (603/0406/6)

What will I learn on this course?

The BTEC Level 2 TECH Award is an intensive and exciting 2 year course, delivered by highly qualified teaching staff who cover different aspects of the Performing Arts Dance programme through the teaching of technical skills used in vocational contexts. The Dance Pathway is a practical course enabling students to develop and extend their dance technique, choreographic and performance skills, as well as their understanding of the performing arts world. This specialist programme is aimed at students who are passionate about developing their dance skills, knowledge and understanding. Students should have a reasonable level of fitness, creativity, commitment and motivation.

Over the two years students will specialise in developing their dance technique in a range of dance styles (including Jazz, Contemporary, Urban and Physical Theatre), as well as extensively developing their choreographic and performance skills. In addition, students will also learn about working in the performing arts industry, and the jobs and opportunities available in this sector. Dance Pathway students have the opportunity to perform in BOA dance shows, BOA Dance Companies and many more opportunities.
