Y11 Information Evening

We will be running an examination information evening for parents on Thursday 3rd November from 6pm until 7pm. This will provide you with useful tips on how to support your child in their preparations for their exams and will include information on how students can work best at home, what support is available in the academy, and where to find essential information.

I highly recommend you attend the information evening. Parents have previously commented on how useful they have found the content, and you are welcome to bring your child along with you.

If you have any questions, please do not hesitate to contact me.

Kind Regards,
