# VENUE HIRE

# BOA

BOA is a Creative, Digital and Performing Arts Academy based close to central Birmingham and public transport links. Purpose built in 2011 the academy boasts professional standard dance studios, rehearsal spaces and classroom facilities, as well as a fully equipped fitness suite. Our facilities are available to hire at weekends and during academy holidays. Unfortunately we are unable to hire out our facilities on weekdays during term time as they are in full use by the academy.

Hires of studios and classrooms include a member of the BOA Site Team to help set up the room to your requirements and to assist in resolving any issues, plus a Security Officer to sign in and direct your students/delegates. To hire any of the facilities you will need to have a minimum of Public Liability Insurance and a DBS Policy as there are often young people on site.

Hires are a minimum of 4 hours\* and are priced in two bands, shared use and sole use.

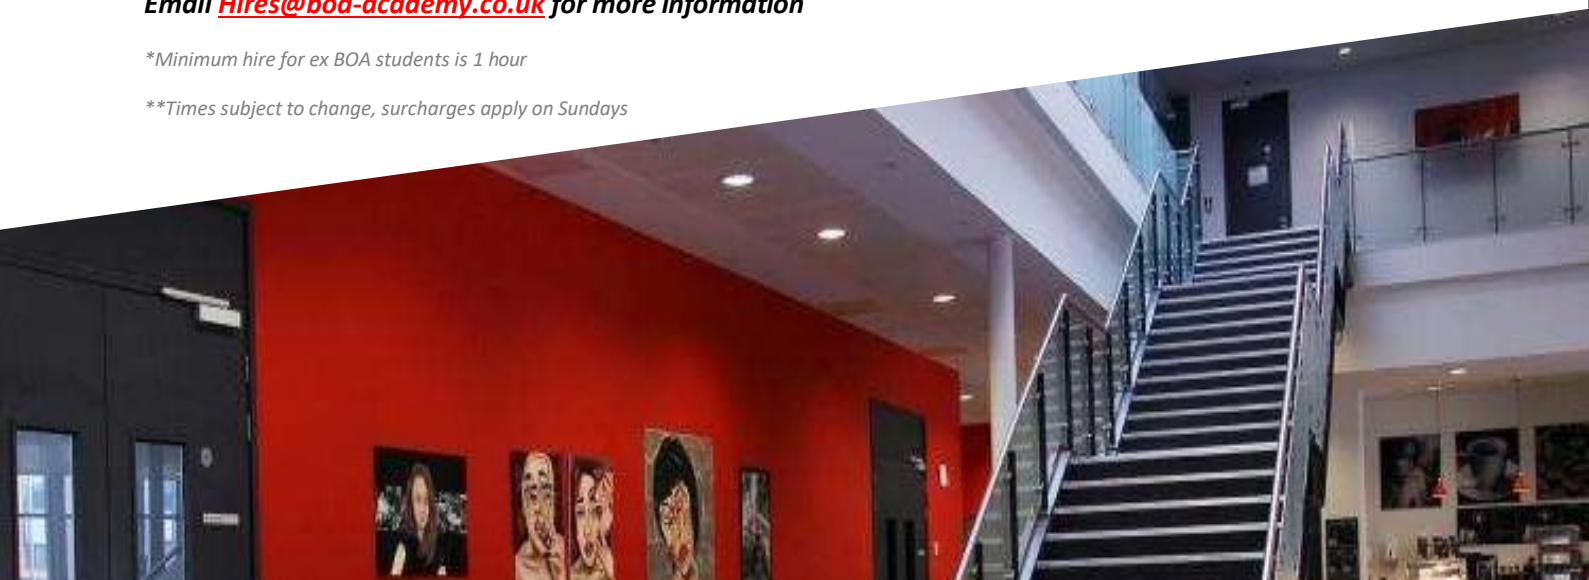

**Sole Use rates** – these rates apply during periods when the site will need to be opened specifically for your hire. Sole use rates can provide good value when hiring multiple spaces. The rate will give you sole use of reception and toilet areas as well as any agreed hire spaces. These rates usually apply on Sundays\*\*, and for early or late extended opening at other times.

**Shared Use rates** – these apply during periods when the site is already open and operating. The rates will give you exclusive access to specific agreed areas such as dance studios, and shared access to the areas such as reception and bathrooms. These rates usually apply between 9am and 4pm on term time Saturdays throughout the year and during between 9am and 4pm Monday to Friday during academy holidays\*\*
